Revision to Request: Patient Designated Plasma Protein Products Form
Customer Letter # 2019-06

2019-04-29

Dear Colleagues:

Further to Customer Letter 2019-01 *Adynovate® approved by Health Canada for patients < 12 years of age*, Canadian Blood Services has revised the form **Request: Patient Designated Plasma Protein Products**. *Section III Criteria* of the form will no longer include **< 12 years of age** for Elocate®. Please refer to the attached sample of the revised request form.

Please share a copy of this customer letter with healthcare professionals at your hospital who might be interested in this information.

This customer letter can also be viewed at www.blood.ca in the “Hospitals Services” section. If you have questions about this letter, or if you require it in an accessible format, please contact your local hospital liaison specialist.

Sincerely,

Mark Newburgh
Director, Integrated Supply Chain Planning
